18. The Chairman stated, in regard to the third item on the agenda, that the International Narcotics Coordination and Collection Study was approved at the last meeting, and that comments had been received from all members. She noted that the members had been provided the respective papers with the recommended changes highlighted. Miss Page reported that the Narcotics Study would be published exclusive of an addendum on legal issues. She noted that these issues were being studied by a subworking group and the results of their deliberations would be published later. The Chairman added that the subworking group is scheduled to finish their efforts by mid-January.

19. Miss Page asked whether anyone had any problems with the suggested changes in the basic study.
